March 2022

Dear Sponsors and Supporters,

Eneza Benjamin is a computer teacher at Sluys/Anderson school. She received her education in Arusha, Tanzania, at a place called Kaloleni. She taught herself Microsoft office programs, and has been working as a computer teacher and lab attendant, since 2013. Eneza comes to work with her son most days, and he has been helping our contact in Sakila with updating our databases. We have been getting new pictures and information the last couple of weeks for Kindergarten through Form 4. This is for 12 grades. We need about two more weeks in order to complete all the entries. After that time, we will start sending out new updates to all sponsors about their student(s). We will start at the beginning of the alphabet, but shall try to alternate, so that the "Z's" are not always last. In May, Form 6 students will graduate, and then school starts again in July for Forms 5-6. At this time, we will update who leaves Form 6, and who starts Form 5. Thank you for your patience in this process, each year.
