Dear Sponsors and Supporters,

April 2023

Evaline in Sluys/Anderson Primary

A friend and teacher at Hebron

Evaline Nnko is a teacher at Hebron Secondary School. She graduated from form six at Hebron in 2017, and went to Dar es Salaam university for bachelor's in arts and education degrees. She came home to Sakila, and does a great job of teaching Civics, English, and Kiswahili. I had the privilege of sitting in on her civics class one afternoon.

I learned about the responsibilities of citizens in a democratic society, and the internal causes of poverty. In 1967, the Arusha Declaration was one of Tanzania's most famous political statements. This was created to reduce the income inequality of all citizens in Tanzania. Evaline is a great example of God's provision for families that are being carried out through the Sakila Sponsorship Program. 2 Corinthians 9:8 says, "And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work." Evaline is being blessed, and doing good. ~Jennifer Kamrath~

The pictures below are two of the twenty-five families that the Sakila Sponsorship Program has been helping, due to the drought and food shortage in Tanzania. Would you please consider helping out our schools with our annual food fundraiser? We are feeding about 1085 students and staff every day, including some needy families in the program. God bless you all.
