January 2022

Dear Sponsors and Supporters,

"This month shall be to you the beginning of months. It shall be the first month of the year to you." ~Exodus 12:2

Aneritha Moses Akyoo is 13 years old, and she just graduated from Standard 7 (End of primary school). Her favorite subject is science. She lives with her grandparents who are farmers, nearby the school. Aneritha would like to become the vice president of Tanzania, after she finishes school. I was impressed with Aneritha, while visiting the schools in October. She drew a beautiful picture of Samson in the Bible, and other objects that surround her life (Thanks to all who have contributed to a computer classroom). She is pictured in the center of her classroom (Pic at bottom right), worshipping God. She was a beautiful example of how Sluys Anderson Primary school is not only making an educational impact on their lives, but one that is sharing the love of Christ.

Your students will be notified about their national exam results soon, and the new school year starts up on January 17th for Standard 1-7, and Form 1-4 students. Form 5-6 students will be starting in July.

If you are needing to re-sponsor your student to a new payment form or any other reason, we have built-in a new tab under the "Sponsor" tab on the website. It says, "Renew Existing Sponsorship," and it will take you through the process. Thank you for being patient with us as we are learning to build and navigate the new website.
