June 2022

Dear Sponsors and Supporters,

Here are your new Sakila Sponsorship Program Form 6 graduates!! (On the right) These five women started at Sluys/Anderson primary school in kindergarten, and they have studied and persevered all the way through to the end. The other photo shows the entire Form 6 graduates that are in Hebron secondary school. All of the students that are graduating this month from Form 6, will have an equivalent education to our community colleges in the United States, and they will have the option to move on to a university that will last about three years.

**Goodness, Rosemary, Irene, Roseline, and Debora**

Your students started taking their national exams on Monday, the 9<sup>th</sup> of May, and testing lasts about 9 days. After the test results come in, we will let you know. If they choose to go to a university, they will start classes in October or November, depending on the university. In the middle of July, classes for Form 5-6 will start for those students that graduated from Form 4, in 2021. If they choose to leave the program or not continue, we will take the liberty of transferring your sponsorship to a student that does not have a sponsor. If this is satisfactory, you will not need to do anything. If there is a concern, please contact us and let us know. Thank you so much for continuing to open up your hearts to the children of Sakila, and beyond.

*“Let your eyes look straight ahead; fix your gaze directly before you. Give careful thought to the paths for your feet and be steadfast in all your ways.” (Proverbs 4:25-26)*
