Dear Sponsors and Supporters,

April 2024

*“He rained down manna for the people to eat, he gave them the grain of heaven. Human beings ate the bread of angels; he sent them all the food they could eat.”
(Psalm 78:24-25)*

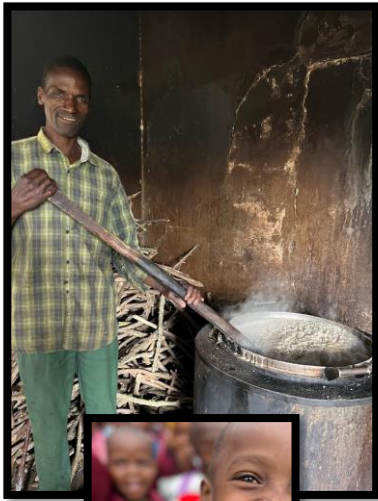

Dear Partners,

Thank you for your continued dedication in supporting the children of Sakila, Tanzania. Your support has made profound difference in the lives of your students. Once again, we invite you to join us in raising funds to buy our annual food supply. Any amount you can donate is greatly appreciated. Our goal is to raise about \$35,000, to buy 16 tons of rice, 12 tons of beans, and 8 tons of sunflower seeds for our cooking oil. So far, we have raised a little over \$5,000.

Thank you for your continued support.

Director of Schools (Godwin Selembo)

Special Need

The last few years, the program has seen a decline in sponsorships due to fixed incomes, loss of jobs, and loss of loved ones. However, the main reason in this struggle to keep up with the needs of our schools is very simple, we need supporters to spread the word about the importance of giving children a chance at an education. And, in doing so, sharing the love of Jesus.

We are in need of a coordinator that has a passion for this program. A coordinator that would connect with sponsors about sharing in their churches, and connecting with schools and community events. If the program had a minimum of 10 new sponsors each year, we would be able to maintain a consistency in every child being sponsored, upkeep on the grounds, curriculum, and food. If this is a desire you have to promote this program and the needs of children in Sakila, Tanzania, please contact Jennifer Kamrath (Bottom Right).

We would love to partner with you, come to your home town (If possible), and share a message about the Sakila Sponsorship Program. Would you prayerfully consider this important need to maintain a consistency in yearly sponsorship increase?

The sponsorship team has been in prayer for this need, and the right person or couple to come along and be an advocate for the children of Sakila. ~Jennifer Kamrath~
