Dear Sponsors and Supporters,

February 2024

I would like to introduce you to a special group of women, whom I call, "The Quilt Ladies!" This group gets together twice a month to create beautiful quilts for the students of the primary school (Sluys/Anderson), in Sakila, Tanzania. The "Quilt Ladies" have been creating quilts for various organizations, far too long to even remember. They purchase materials, and sacrifice months of their time in order to piece them together. In addition, sometimes knit hats and blankets are thrown into the mix. The Sakila Sponsorship Program is blessed to have them offer their talents for the children of Sakila. October of 2023, our team was able to hand them out to the standard seven graduating class. Sometimes, there are extra quilts of all sizes that we can distribute to families in need. I want to personally thank these ladies for their acts of kindness in the lives of children. ~ Jody Sandvik~

In Sakila, the heavy rains have been consistent since last October. However, the Event/Multi-Purpose Hall has been a blessing for the students to get out of the rains, even though the floor and walls are not finished. Thank you for your continued support. God bless you!

God is Good!!!
