Dear Sponsors and Supporters,

November 2022

We inform you about an occasional student that is in school, but we are excited to share with you about two of our teachers at Sluys/Anderson primary school. We appreciate the hard work and care from teachers and staff that is given to the 645 students from K-7th grade.

Aranyaeli Sifaeli Mbise (On the right) teaches standard six math, and standard seven social studies. He has been working at Sluys/Anderson primary school for seven years. He has three boys at home with the ages of two, four, and seven. When he is not at school teaching, he involves himself with farming.

Neema Kaanankira Akyo (On the left) has been working at Sluys/Anderson for ten years. Neema teaches health sciences, reading and writing for standard two (2nd Grade) classes. She has two children ages ten and one. She raises chickens when she is not at school.

When you read this newsletter, a team from Sakila, Tanzania, will have just come home. We will be excited to share with

you some of our experiences and pictures in the December newsletter, from the graduation trip in October 2022. If you have any standard seven primary students or form 4 students graduating at this time, we will send you pictures and videos of the graduation. God bless you and keep you and give you peace. ~Jennifer Kamrath~
